

Life with You Is Awesome!

(song lyrics by Jennifer Flanders – to the tune of “Everything is Awesome”)

Life with you is awesome.
Life with you is cool — I’m so glad we’re a team!
Life with you is awesome, ‘cause we’re living our dream.

Married life is better when we work together.
Side by side, you and I gonna stick together,
In all kinds of weather.
Man and wife, I love you, you love me,
We’re both working in harmony.

(refrain)

(Woooo!) 3, 2, 1. Go!
Have you heard the news? Everyone’s talking.
Life is good and people are gawking.
Baby’s due, our family is growing.*
We’ve got love and joy overflowing.
Life with you is full of adventures
I’ll love you even when you have dentures.
Food in my teeth? Oh, that’s just awesome.
Next time, tell me when I need to floss ‘em.**
Love is blind — now I know that’s true.
It’s so awesome to be loved by you (be loved by you).

Married life is better when we work together.
Side by side, you and I gonna stick together,
Both now and forever.
Man and wife, I love you, you love me,
We’re both working in harmony.

(refrain)

Marriage vows, wedding rings,
I just named two awesome things.
Pledged my love, said, “I do.”
You know what’s awesome? Life with you!
Clean, fresh sheets upon our bed,
a feather pillow for my head.
Let’s go soak in a hot jacuzzi.
Not too long, or we’ll get woozy.
Pools, tools, jewels—they’re awesome.
Girls with curls and pearls—they’re awesome.
Boys enjoy their toys—that’s awesome!
Every day of life as man and wife is awesome!

(refrain)
