

A PRAYER for the SINGLE MOTHER

LORD, be with the single mother,
May she lean on Your strong arm;
Be her shield and her defender
And protect her from all harm.
Be a father to her children,
May they gladly bear Your name.
Grant her grace for every trial;
Carry her through flood and flame.

Lend the patience and endurance
She will need to face each day.
Furnish wisdom and direction
When she doesn't know the way.
Give her peaceful rest in slumber,
LORD, provide for every need.
Calm her fears and soothe her worries
As she casts them at Your feet.

Change her sorrow to rejoicing;
May she love her enemies—
Meeting hatred with forgiveness—
As she trusts the God who sees.
Grow her faith in You much deeper;
Let her love for Jesus shine.
And when others see her well-lived life,
May all the praise be Thine.
